

Show tips

1 Dress up youth as ushers with torches, hand out the programs and take people to their seats.

2 Sell drinks and munchies as a fund raiser. Before the show and through intermission.

3 Make the church look more like a theatre

4 Or hire the local hall and dress it up

5 Have music playing in the background

6 Use the night as a coffee shop instead of a concert night.

7 Advertise on Christian radio and local newspapers

8 Ask youth to put advertisements in letter boxes. Invite town folks.

10 Invite all other churches in the area; we are all brothers and sisters in Christ so invite the family.

11 Advertise on TV if you can afford it. (Community adds are free)

12 Put your own ideas into action.
